

WHY ME?

Do you want to stay in touch with 'your' university, follow its development, find out what is going on here? Are you looking for student friends or former teachers? Do you have suggestions how to improve the student experience, or do you want to share insights from your professional life with us? Do you know about vacant positions or jobs that you would like to recommend to former colleagues? Are you interested in attending our regular alumni gatherings? Do you want to support the university in its work?

Then become a member of our network! We look forward to welcoming you!
