MAIN LIBRARY

The main library offers students not only a wide selection of sheet music, reference books, general and specialist literature and journals, but also the opportunity of online research. The reading room features several work desks, some of which are equipped with PCs. The main library is a lending library, but also has a small reference-only section (materials in the reading room).

Address and opening hours

Fürstenhaus, Platz der Demokratie 2/3, 99423 Weimar
