1st step	video selection
----------	------------------------

Video requirements:

At the time of the application deadline, the recording should not be older than one year.

The duration of the video is 8 - 10 minutes.

All works are played in a link one after the other without editing.

The camera distance is 3 - 5 metres, applicants can be seen in their entirety, including their hands.

The technical quality of the video recording does not have to be professional.

Presentation of the following works:

Works or individual movements from at least two composers, one slow and one fast movement.

2nd step	Attendance test (invitation after passing the 1st step)
----------	--

In the examination, requirements corresponding to the level of difficulty of a diploma or bachelor's examination in the same major subject must be fulfilled. It is assumed that the applicant is familiar with these requirements and submits a programme of the appropriate level of difficulty (50-60 minutes). The selection of works will be included in the assessment. The examination lasts a total of approx. 15-30 minutes. The examination in the profile section lasts approx. 10 minutes within the examination time in the main subject.

Works or movements of own choice, one of these works may be repeated from the video.
