

**Instruments & Voice – CONCERT DIPLOMA (“KONZERTEXAMEN”)
Special Requirements for the Audition**

The audition for the four-semester “Aufbau” B programme (“Konzertexamen”) has two parts, taking place on different days. The programme in the first part should last about 20 minutes. During the second part, a programme of 50-60 minutes length is expected.

An application for an audition and matriculation in the “Aufbau” programme is not possible when the length of time between the completion of one’s degree, in one’s intended “Aufbau” programme major, and the beginning of the “Aufbau” programme is more than three years.

The First State Examination is not a sufficient prerequisite for an application for the “Aufbau” programme.
