

## DISCLAIMER

### 1. Contents of online services

The University of Music FRANZ LISZT Weimar is not liable for the validity, correctness, completeness, or quality of the available information. Liability claims related to damages of material or immaterial nature made against the LISZT UNIVERSITY on the grounds of use/lacking use of the available information or on the grounds of erroneous or incomplete information are excluded by principle as long as no deliberate action or gross negligence on behalf of the LISZT UNIVERSITY can be demonstrated.

All offers are non-binding and subject to change. The University of Music FRANZ LISZT Weimar expressly retains the right to change, add to, or delete sections of pages or the entire information without special notice, and to stop publication either pro tem or finally.

### 2. References and links

In cases of direct or indirect references to external websites which lie outside of the responsibility of the University of Music FRANZ LISZT Weimar ('hyperlinks'), the latter can be made liable only if the LISZT UNIVERSITY knew of the site's contents and if it had been technically possible and reasonable to prevent the use in cases of illegitimate contents. The University of Music FRANZ LISZT Weimar hereby explicitly states that no illegal contents were apparent on the referenced sites at the time the links were set.

The University of Music FRANZ LISZT Weimar has no influence on the current and future preparation, contents, or authorship of the referenced/linked sites. Therefore, it expressly distances itself from all contents of all linked/referenced sites which were altered after the links were set. This statement is valid for all links and references made on the institution's own internet pages, as well as for external entries in guest books, forums, link catalogues, and mailing lists provided by the LISZT UNIVERSITY, and in all other forms of databases which can be accessed by external users. Liability for illegal, erroneous, or incomplete contents, and especially for damages caused by the use/lack of use of such information lies exclusively with the provider of the sites referenced/linked, not with the provider of the site which merely references these publications.

### 3. Copyright and trademark legislation

The University of Music FRANZ LISZT Weimar endeavours to acknowledge copyrights of images, graphics, sound clips, video sequences, and texts used across its publications, to use images, graphics, sound clips, video sequences, and texts it has produced itself, or to use graphics, sound clips, video sequences, and texts which are free of copyright.

All trademarks and third-party trademarks which appear within these websites are subject to the regulations of the applicable current trademark legislation and to the ownership rights of the relevant registered owners. Any mention does not justify the conclusion that trademarks may not also be protected by third parties!

The copyright for published materials which were produced by the University of Music FRANZ LISZT Weimar remain solely with the LISZT UNIVERSITY. Any duplication or use of such graphics, sound clips, video sequences, and texts in other electronic or print media without prior explicit consent by the

University of Music FRANZ LISZT Weimar is not permitted.

#### **4. Data protection**

Wherever there is the possibility of entering personal or institutional data (email addresses, names, postal addresses) on these websites, this information is expressly offered voluntarily by the user. The use and payment of all available services is permitted without the entry of such data, with the use of anonymised data, or a pseudonym—as far as this is technically possible and reasonable. The use of contact information such as postal addresses, telephone and fax numbers, as well as email addresses provided on the 'contact information' page or similar pages by third parties for the transmission of information which is not expressly solicited is not permitted. We expressly reserve the rights to take legal measures against the authors of so called 'spam' messages which breach these regulations.

#### **5. Validity of the disclaimer**

This disclaimer should be considered part of the websites which link to this page. If individual sections or individual phrases of this text do not, no longer, or do not entirely correlate with current legislation, this does not affect the content or validity of its remaining sections.
