EMCY - EUROPEAN UNION OF MUSIC COMPETITIONS FOR YOUTH

The International LOUIS SPOHR Competition for Young Violinists is member of EMCY.

The **European Union of Music Competitions for Youth e.V. (EMCY)** is a network of national and international music competitions across Europe, founded in 1970, that supports and promotes the musical education of young talents in the pre-professional stage. The **EMCY Prize** consists of two things: a professional online profile for 2 years on www.emcy.org and second, the chance to be selected for international promotions as innovative concerts, international tours and master classes.
