Master Classes 2018 you can find [here](#).

The 60th Weimar Master Classes will take place from 13 - 28 July 2019.

The courses will be published shortly.

© Eric le Barz

"I feel as though I am entering history here in Weimar. The city is magical, not only because of Liszt, but also because of Goethe, Bach and Hummel. 'Small is beautiful' as Shakespeare said. I love Weimar. Liszt lends the masterclasses a special spirit. The teaching experience is different with each student; you have to adjust to their individual needs. The bottom line for me is searching for the truth in the interpretation."
