DIE KATZE IM SACK (THE PIG IN A POKE)

These are the flexible, multi-talented members of the University of Music in Weimar. They create challenging arrangements of pop/jazz choral pieces. They sing what their fellow students suggest, making their microphones come to life. Their practice sessions are shaped by swarm intelligence, and yet, they still make music in a self-determined manner. They are the perfect music teachers of the future. Nobody knows what they are going to do next. They are the pig in a poke!
