GERMAN ACADEMIC EXCHANGE SERVICE (DAAD)

Among the most important support programmes are the scholarships offered to students and academics by the German Academic Exchange Service (DAAD).

Furthermore, in the context of the PROMOS programme, the DAAD is making available financial support for the University of Music FRANZ LISZT Weimar. This enables the support for stays abroad (studies, internships, language courses, specialist courses (master classes/ summer courses) and study visits, including competitions and concert tours. Further information can be found here.
